## **Tournament Details**

Sat, March 25 – Tournament will be in conjunction with Yappy Days – a fun event for the public and their dogs. The goal of Yappy Days is to promote the health and well-being of Wichita's dogs, to educate dog owners on the importance of spay/neuter procedures and regular veterinary care, and to encourage dog ownership as a lifetime commitment. Events will include contests, doggie demonstrations, and VENDORS!!! We will have bleachers set up so the public can watch our flyball races. Come show Kansans how flyball's done! (We plan on having wristbands for the flyball people so we can enter & exit Yappy Days without paying the entry fee.)

Sun, March 26 – This day we will have the whole building to ourselves, unless the public decides to come back for more flyball action.

Both days – Sirius Photography will be on hand to take action shots of your dog!

Racing Surface: Indoors on Tuff Spun matting over concrete  
Runback: 70' minimum  
Inside Crating
